**MEMORANDUM FOR THE RECORD**

**SUBJECT: Conversation with Bill Woodruff, Counsel,  
Senate Appropriations Committee**

1. I met with Bill Woodruff today and left with him a copy of the new "Guide to CIA Statutes and Law."

2. I also briefed him on several current intelligence items including:

- a. Recent information on Soviet over-the-horizon radar;
- b. Soviet and Chinese Communist nuclear tests;
- c. The Soviet circumlunar probe; and
- d. Information on a second Y-class submarine.

3. Woodruff said he had received the letter from the Office of Management and Budget (which he had drafted) on the augmentation of the Agency Reserve. He said he would like to tentatively schedule a budget hearing on this on 19 November. At that time the Appropriations Subcommittee will also want a world wrap-up briefing, any comments which the Director might have on his current trip, and a discussion of the effects of the Fulbright amendment. He mentioned that although the OMB letter requests [redacted] he expects the Committee will actually approve only the [redacted] increase authorized by the House Appropriations Committee.
